Dear Brother

Rev. Asa Mahan

Covenant

Here we find ourselves
in bound & how long we can tarry I can
not tell. Dr. Watson & the church have ake
anxious that I should spend a week with
them in labors for the salvation of souls.
This I probably shall do. There is one thing that

14:20 - might be brought in to confirm the argument. &c.
I can not but hope & believe that God at this time has given

in the faith & advance the labours of Christians by
